Happy New Year!

Here's what's going on:

Instructor Course January 11-13, 2013

There is still time to sign up for our Basic Keelboat Instructor Qualification Clinic on the evening of January 11, and all day January 12 and 13. Full details can be found by exploring this link:

<http://www.asa.com/instructor-clinics.html> . All registration and payments go through ASA, and not LSA-Lake Murray.

Basic Coastal Cruising

ASA 103 Class: January 9, 10, and 11, 2013

6-8 pm on the 9th, 9-5 on the 10th and 11th. Learn how to handle a 30ft boat on the lake and around the docks! Call for more details or to book your spot. \$545 per person. There is room for 2 more students!

Coastal Navigation ASA 105 Class, 6 Thursdays 6:30-8:30, March 21-April 25

Where the heck am I? How do I get from here to there? What is a deviant compass? This is the class most necessary for those wishing to sail in US coastal waters. In my opinion it is more important than Coastal Cruising and Bareboat Cruising! It doesn't matter how well you can sail if you don't know where you are or how you are going to get to your next destination! We lead students through the material using a guided home study method. During class time principles will be demonstrated and then "homework" started that will be completed at home. There are no prerequisites but we highly recommend taking this class prior to Bareboat Cruising 104. \$295 per person, which includes textbook, certification, and practice chart. Students will be expected to purchase some navigation tools. Call to book your spot or ask more questions.

Instructor Course Practice Day January 5, 1-5

Brian and Rusty will put you through your sailing skills as practice for the IQC on the following weekend.

Polar Bear Second Wind Sail January 1, 2013, 10-4?

How can we have a Second Wind Sail if Second Wind is having the little blisters on her bottom seen too? Luckily Happy Sails Club member, Al Cox, has been letting us use Hummingbird, his Catalina 30 for our "Second Wind" sails so.....

Polar Bear Hummingbird Sail

January 1, 2013, 10-4

Bring yourself out for a sail on a different boat. It's an invigorating start to the New Year. This is a social sail so it is a member and guest event. Call or email to book your spot! (Let's hope the weather is better than that in the 2 pictures of Lake Murray from 12-21-12.)

The Big Water Challenge Sails 2012/2013

It isn't the Vendee Globe but it is a chance to get out of Hollow Creek!

Lisa won't be able to add to her lead on the Timberlake trip as she is doing the instructor clinic. That is your opportunity to catch up and visit that golf place on the other side of the lake!
January 12, 2013 -
9am Timberlake for lunch: 2 point trip
January 26-27, 2013 -
10am Jakes or another location, leaving the boat

overnight with carpooling to get from/to Southshore. 1point for Sat., 1 point for Sun., or 3 points for both days.
