Tip of the Month: Be like Al!! Live Life to the Fullest!

Al is a bit of a hero to the Happy Sails Club! He let's us use Hummin Bird! When he has time he single hands his Catalina 30 tall rig, he water skis with his Grand Kids, and on July 1st he is getting married!!! Have a great day Al, and thanks for all the support you give the Happy Sails Club!

The total Eclipse is a big thing literally and celebration wise (<http://www.columbiacvb.com/events/solar-eclipse/>). Please let us know if you are coming sailing that day by August 1st.

Sad Happy Days at Happy Sails Club

About 10 years ago I had to find a boat to augment the Capri 22's. I found one that had some style about her on Lake Lanier. Even though she was 25 years old her price was right! The cock pit is small but I knew a bunch of new sailors in Atlanta had wished for a boat that was easier to single hand. She has a reliable Honda engine and I added the roller furling sail and changed her name from "Write of Passage" to Nan. She reminded me of my grandmother, Nan, not the quickest on her feet but able to stand up to most things! She was going to be a 2 year boat for us but she is still with us 10 years later and still providing a solid place for our single handed sailors like Dave in the picture from last weekend.

Nan's current need for some extensive love and the good fortune of access to a 2003 Hunter 216(front of the sailing made easy text book) to bring us into the 21st century mean that she is up for sale <https://columbia.craigslist.org/boa/6173197114.html>
