CLUB NEWS:

- **FROZEN ADVENTURE:** While Pensacola suffered one of the worst winters ever, Splendid Adventure went south in search of warmer weather and new sights to behold! Well, many beautiful new sights were seen, even though it was a tad chilly. You may have seen some pics on Facebook, and we will be adding many more in March. We are glad to be back and look forward to sailing in some of the most beautiful waters in all of Florida! We also plan to do several weekend Club trips this summer, so keep posted.....
